DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on November 22, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Despite applicants' remarks, applicants have not adequately addressed the issue concerning claim 13 set forth within paragraph 2 of the Office action. The amendment to claim 13 specifying "a dimer **fatter diol**" does not address the issue concerning dimer fatty acid and further serves to render the claim indefinite. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to R. Sergent at telephone number (571) 272-1079.
